My very dear Sophia

I was very much pleased with your kind letter to hear that you were all well And that you had such good Meetings We also had a very fine discourse from Mr Shepherd We hear so much that is good May we be admonished to lay those precious truths which we hear so frequently to heart and treasure them up as hid treasures Let us dear Sopha live more devoted to Hyod ever Remembering the great obligations we are under to love and serve him Who so loved us Oh let us ever think of those things which belong to our Spiritual welfare
